# Four-season, four-seater.

## Saab 9-3 Convertible.

This is a Saab icon that spotlights progressive Scandinavian design. An open car for an open mind. A four-season four-seater that will empower your senses. Sporty, elegant and playful. You'll feel it in the dynamic driver's seat. In the turbo power, spirited performance and cutting-edge chassis design. Plus all the advanced features that enhance driving excitement and convenience even further. Did we mention world-class real-life safety? Prepare for it all – top up or top down.

### **The Aero Griffin.**

The top-of-the-line Griffin model with dual sports exhaust pipes, sports chassis front foglights with titanium-effect trim, sports interior and matching equipment offers the most intense Saab driving experience.

### **Cockpit and soft-top.**

The new Griffin interior is designed to add even more sporty attraction and driving pleasure. The top raises and latches in just 20 seconds. Available with remote operation. Excellent insulation from outside noise, heat and cold.

# Bolder, brighter and very eager.

## Saab 9-3 Sport Sedan and SportCombi.

Just one look and you'll know it. The Saab 9-3 is designed for driving exhilaration beyond the ordinary. Boosted by the powerful sensation that comes from a range of new, highly efficient turbo engines. The driver focus strikes you the very second you slide into the cockpit and discover all the ways it's designed to perform. So if you really want to enjoy true driving exhilaration, welcome to try the Saab 9-3 Griffin.

### **Saab XWD.**

Our optional cross-wheel drive is one of the most advanced systems available. Provides better grip, faster acceleration, more agile cornering and improved stability. In all kinds of weather.

### **eLSD.**

On cars with XWD™ the optional electronically controlled rear limited slip differential balances torque between the rear wheels, allowing the car to turn even quicker and more easily.

\* Low emission version.

\*\* Not available with 130 hp engine.

**Petrol and BioPower engines.**

The Saab 9-3 is available with a range of new petrol and BioPower (E85) engines featuring direct injection, dual variable valve timing and twin-scroll turbo. The result? Refined and smooth yet with stronger power when you really need it.

Starting at  
**119** g/km

**TTiD<sup>4</sup> – Two-stage turbodiesels.**

Try the Saab 9-3 Griffin with one of our innovative two-stage turbodiesel engines and you won't have to compromise between high performance and low emissions. Available in three versions – 130hp, 160hp or 180hp.

Up to  
**180** hp

# Designed to elevate your experience.

## Saab 9-3X.

The Saab 9-3X Griffin is designed around you – an active driver with an active life. A sporty wagon with a rugged exterior and elevated all-season performance, available with the optional Saab XWD™ cross-wheel drive system. If you like a commanding view, the new Saab 9-3X is the perfect place to be. With its raised chassis you are seated a bit higher in the driver-focused cockpit. With instant turbocharged power at hand and a sensational feeling of control. No matter the weather and road conditions.

### Saab XWD.

The Saab XWD™ cross-wheel drive system continuously senses your driving style and the road conditions. It then actively helps improve the car's behaviour on the road. What you feel is better grip, faster acceleration, more agile cornering and improved stability. In all kinds of weather.

### eLSD.

On cars with XWD™ the optional electronically controlled rear limited slip differential balances torque between the rear wheels, allowing the car to turn even quicker and more easily.

**New turbo engines.**

The Saab 9-3X features a range of new turbocharged, direct injected petrol and BioPower (E85) engines that provide increased efficiency, refinement and torque.

**Two-stage turbodiesel.**

The Saab 9-3X is available as a special lower-emission model with our innovative two-stage turbodiesel engine combined with front-wheel drive (FWD).

**Turbo<sup>4</sup>/BioPower**

220 hp/350 Nm  
XWD M6/A6
